WELCOME BACK

Just when you thought BIS-NY Summer Camp couldn't get any better, it does! Our 2012 Summer Camp offers fun-filled trips, your favorite counselors and lots of sunshine-filled

activities to kick start your summer vacation!

To guarantee that your children receive the “royal treatment” this summer, we are committed to offering them a stimulating environment, while encouraging continued cultural, social and physical growth . We keep their minds alert and challenged by incorporating learning with play!

I look very forward to seeing the smiling faces of both returning and new campers in June! Please do not hesitate to contact me with any questions!

ABOUT OUR CAMP:

Conveniently located on the East River in Manhattan, our camp utilizes the stunning facilities of The British International School of New

York . Each camp session is crafted to maximize social and physical interaction and to provide the most fun possible!

THINGS TO LOOK FORWARD TO INCLUDE

- Private, newly renovated swimming facility with highly qualified instructors
- Fully-stocked professional Arts & Craft Studio
- Dazzling Discoveries Science Program
- Computing and Technology Exploration Centre
- A gated, private on-site playground
- Field trips to include MiniChef, The Central Park Zoo, The NYC Children's Museum, NYC Fire Department, TADA Children's Theatre and more!

MEET THE TEAM

In addition to our team of professionally qualified and first aid certified teachers, we also employ specialists in swimming, art, and science. Additionally, each session will bring special visitors to our camp such as face painters, magicians and storytellers!
