Dear Jayson,

Thank you for donating 1,000 lbs to the *Daily News Food Drive* in November 2020. Your support helps City Harvest ensure that New Yorkers struggling to put meals on their tables have enough food for themselves and their families.

City Harvest pioneered food rescue in 1982 and, this year, will collect 118 million pounds of excess food to help feed the nearly 1.5 million New Yorkers facing hunger. Through relationships with farms, restaurants, grocers, and manufacturers, City Harvest collects nutritious food that would otherwise go to waste and delivers it free of charge to hundreds of community food programs across the five boroughs. In addition, our *Healthy Neighborhoods* initiative addresses long-term food insecurity through community partnerships that work to increase access to affordable and wholesome food.

Thank for helping to fill our trucks with good food for our neighbors in need.

Sincerely,

Jilly Stephens
Chief Executive Officer
